

Crimson Clan

General / funny-manga-novel-stuff

For novels just copy the sentence and for manga screenshot around the sentence/image.

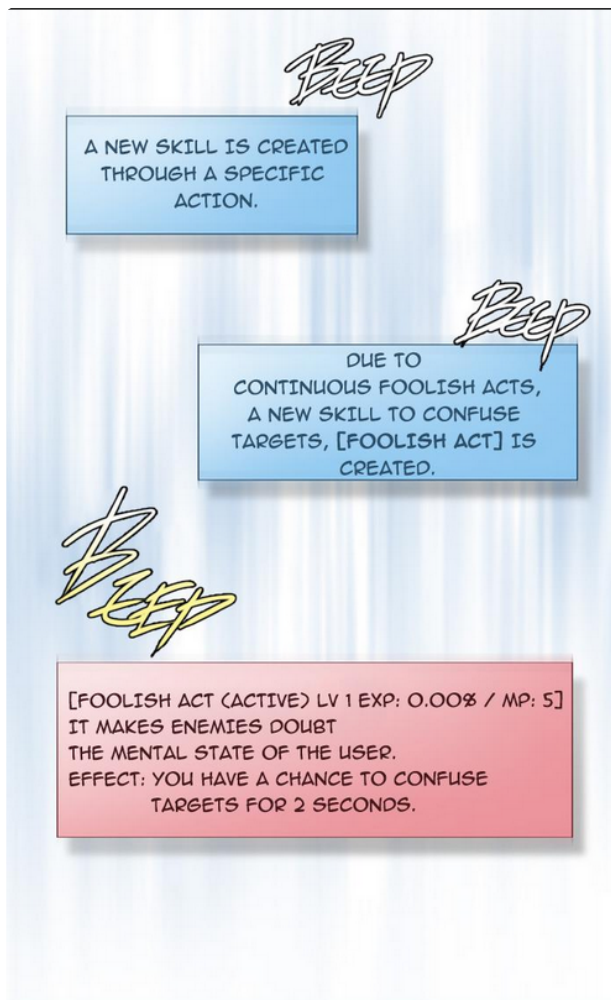

Deleted User 12/1/2019 5:11 PM

"Look at the MCs in other people's novels. Which of those people who obtained Systems were not OP? Their Systems were even more reliable than bringing an old grandpa in a ring with them! If there was anything they didn't know, the System would clarify it for them. But as for me, my System is simply like a dead fish! It won't even twitch in response when I call upon it..."

Fishing the Myriad Heavens

@Deleted User sauce??

The Gamer

10/10 title

I know

Also why did you name me this way?

I got bored so I renamed everyone
